

Coaching with Purpose: A Handbook for Success in Athletics

This CD gives all the information you need to implement a quality athletic program at all grade levels. The contents of this CD are based on experiences gained from establishing and administrating a sports program at Victory Christian School in Tulsa, Oklahoma—a program that has grown from 249 students to 1500 students and over 100 sport teams in grades 1 through 12. The current sports program includes: football, cross country, softball, basketball, baseball, volleyball, track, tennis, golf, cheerleading, weight lifting, bowling and soccer.
