

Parent Student Handbook, 5th Edition

ISBN: 978-1-880705-44-2

SKU: 941

Cost: \$24.95

Look for effective ways to communicate your vision and purpose to your students and parents? Consider the comprehensive Parent/Student Handbook.

This handbook gives hundreds of suggestions for developing your own school handbook and for improving upon the one you already have.

This new edition also includes Legal Notes relating to student and parents' rights. You can use this handbook to conduct an audio of your own existing handbook. The purpose of the Legal Note Commentary is to help schools create handbooks that will help remove legal risk.

Key Benefits

- Check your own student policies to see if they pose any legal risk
- Save hundreds of hours in writing new policies and procedures
- Improve communication to parents and students
- Avoid parent conflict by answering the "why" of policies
- Establish a consistent system for administering student discipline
- View legal ramification of management topics
- See how to implement various polices through Implementation Strategies
- Use "cut and paste" features to improve existing handbooks
- Copies provided in Word and PDF formats
- Comprehensive index allows one to find information on student policies
