

World Changers: Designing and Implementing an International Student Program, 2nd Edition

ISBN: 1-880705-28-1

SKU: 605

Cost: \$27.95

This CD has all the materials necessary for implementing an international student program. The program is modeled after the program established by Victory Christian School which serves 95 students from 14 different countries.

Key Benefits

- Expose your school to new cultures and gain a world perspective
- Petition for approval to enroll international students
- Create guidelines for international student admissions
- Establish an effective host family program
- Implement a “friends” program for new students
- Organize your staff for effective program management
- Learn how to guide and direct international student behavior
- Use to tailor your own host family and international student guidelines and handbooks
